Urgent     Return receipt     Sign     Encrypt

Dear Sir/Madam

I object the healthcare finance options, I am the graduated people. My company had offer the healthcare insurance. And many graduated people also had the healthcare insurance offer by their company. Therefore, the healthcare finance options are no use for us.

I am strongly object this healthcare finance options.

And according to the poster from the goverment, which showed that Hong Kong people are the top level for the health research, that means the budget for the healthcare finance proposal in these few years were suitable, no need to increase the budget.

Best Regard

Hong Kong People
