Subject Only 1.8 kg of formula milk powder allowed

Urgent Return receipt Sign Encrypt

Dear Sir/Madam ,

I am a HK permanent resident now living in PRC. My daughter is one year and three months old. I only return to HK once a month buying formula milk powder and other baby stuffs. The proposed legislation of allowing only two cans of formula milk powder be carried out of HK will affect me seriously. Please let me know whether I can apply any kind of exemption license easily so that I can carry say 4 cans of formula milk powder to PRC for my daughter's use.

Thanks
