Subject Re: Amendments to Import and Export (General) Regulations (Cap. 60, sub.

Urgent  Return receipt  Sign  Encrypt

Regarding the following exemption;

*"Such exemption should only be applicable to a person on **his first departure** from Hong Kong within a 24-hour period."*

I think it needs further explanation of the terms **first departure**. Lets take the following scenario as example;

***Scenario***

*A Hong Kong citizen who currently residing at Mainland China, went to Macau for lesiure and then returned home to Mainland China (with 1.8 kg of infant milk) via Hong Kong within a 24 hour period.*

If the exemption applies, the above HK citizen will not be qualified for the exemption.

I think its better to put the limitation this way.. e.g. first departure to the same country within 24 hours
