

Glossary List for Technical Specifications

| Abbreviation | Full Name |
|---------------------|---|
| AC | Alternating current |
| ArchSD | Architectural Services Department |
| ASME | American Society of Mechanical Engineers |
| BS | Building Services |
| CMS | Content Display Management System |
| CE | conformité européenne (French for "European conformity") |
| CM | Chinese medicine |
| CM | Corrective maintenance (under maintenance section) |
| CMH | Chinese Medicine Hospital |
| CMP | Chinese Medicine Practitioner |
| CPM | Critical path method |
| CSSM | Construction Site Safety Manual |
| D&B | Design and Build |
| dBA | decibels A |
| E&M | Electrical & mechanical |
| EMSD | Electrical and Mechanical Services Department |
| EPD | Environmental Protection Department |
| FAT | Factory Acceptance Tests |
| FCC | Federal Communications Commission |
| FSD | Fire Services Department |
| FSI | Fire Service Installation |
| GUI | Graphical User Interface |
| HIS | Hospital Information System |
| HIS (PAS) | Hospital Information System (Patient Administration System) |
| HKSAR | Hong Kong Special Administrative Region |
| HDC | Hospital Data Centre |
| Hospital | Chinese Medicine Hospital |
| ICE | Independent Checking Engineer |

| Abbreviation | Full Name |
|---------------------|--|
| IE | International Efficiency |
| IEC | International Electrotechnical Commission |
| IET | Institution of Engineering and Technology |
| ISO | International Organization for Standardization |
| I/O | In / Out |
| Kg | kilogram |
| Kiosks | Patient Self-service Kiosks |
| LD | Labour Department |
| LDAP | Lightweight Directory Access Protocol |
| LCD | liquid-crystal display |
| LED | light-emitting diode |
| M | Metre |
| MCB | Multiple Circuit Breaker |
| mm | millimetre |
| O&M | Operation and Maintenance |
| OC | Organisation Chart |
| Party A1 | The Government / The Government Representative / The CMH Operator of the CMH. |
| Party A2 | D&B Contractor and their sub-contractor(s) for the design and construction of CMH. |
| PAS | Patient Administration System |
| PDC | Primary Data Centre |
| PLCs | Programmable logic controllers |
| PM | Preventive maintenance |
| PMS | Pharmacy Management System |
| RCD | Residual Current Device |
| REWs | Registered Electrical Workers |
| RMI | Request for Market Information |
| RSE | Hong Kong Registered Structural Engineer |
| SAT | Site Acceptance Test |
| SDC | Secondary Data Centre |

| Abbreviation | Full Name |
|---------------------|-------------------------|
| TR | Telecommunication Rooms |
| UAT | User Acceptance Test |
| UK | United Kingdom |
